

Michigan Lawn Services Policies: **LAWN CARE SERVICE**

SERVICE – Basic lawn service includes mowing, string trimming, and disbursement of clippings with a blower. We will not string trim small unprotected trees, buildings where vinyl siding goes to the ground or any items left unprotected (i.e. satellite wiring, dog fence, electrical wire).

HELP US HELP YOU – Please check the areas to be serviced and remove trash, papers, toys, garden hoses, tools, lawn furniture, pet droppings, sticks, etc. These items can cause serious damage to our crews, our equipment, and your property. General labor rates will be charged if we have to move these items. Please leave gates unlocked the day of service.

CONTACTING US – We are available by phone Monday through Friday from 8:00 a.m. until 5:30 p.m. If the phone isn't answered, please leave a message. Please do not give instructions to the crew. Call or e-mail the office so we give the proper assignments required.
